KNOWLEDGE

Brings comfort and improvement and tends to personal enjoyment when rightly used. The many, who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative principles embodied in the remedy, Syrup of Figs.

Its excellence lies in its presenting in the form most acceptable and pleasant to the taste, the refreshing and truly beneficial properties of a perfect laxative, effectively cleansing the system, dispelling colds, headaches and fevers, and permanently curing constipation. It has given satisfaction to millions and meets with the approval of the medical profession, because it acts on the Kidneys, Liver, and Bowels without weakening them and it is perfectly free from every objectionable substance.

Syrup of Figs is for all drugs in 16c and \$1 bottles, but it is manufactured by the California Fig Syrup Company, whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not accept any substitute if offered.
